Changes

No changes

Review of sprint

We finished 35 points out of the 38 we had assigned during the sprint. Some stories conflicted, and we will review these until the next sprint.

Sprint length

Sprint length was fine. Doesn't need to be changed this time. But since the sprint was over weekend not that much work was done.

Review backlog

We removed "i want a clear navigation" completely and added some new stuff to the sprint backlog. We will also continue to work on stuff already in the sprint backlog.

Start next sprint

Next sprint will end on wednesday 28/09 at 12.00 and we will have a meeting then.
