**Facilitator:** Arvid

**Participants:** Arvid, Daniel, Marcus, Patrik, Adam, Frej. Late arrivals: Andréas

## Meeting objectives

- a. Social contract revision
- b. Discussion of possible changes after yesterday's meeting
- c. Reviewing last sprint
- d. Sprint length
- e. Review backlog
- f. Start next sprint

## Social contract

- Add more details to late arrival

## Changes

- Leaderboards are only for friends if you have facebook connected
- Minigame for sentence practice

## Review of sprint

- We discuss layout and usage
- Fast access to take photo
- Separate view for vocabulary previews when searching
- Navigation on bottom, 5 or 3 screens
- Swipe to navigate?
- This sprint was too long. We completed relatively few tasks over a long period of time, which is not good. However, all team members now have a good idea of what the app will look like moving forward.

## Sprint length

- Review of length. Next sprint ends sunday night. Sprint meeting then.

- Shorter sprints here on out

## Review backlog

- Backlog changes and additions have been done

## Start next sprint

- Assign user stories to people
